

# RECEPTION PLANNING FOR THURSDAY 23RD APRIL 2020

Hi everyone,

We will continue to upload work to the Calpe website until the end of the week but we would like you to access our new online learning platform as soon as possible.

## Using Class Dojo as an online learning platform

- **Get connected as soon as you can!**

- You should have all received an email with instructions for how to access a **new school email address** that we have created for you within the Calpe School G suites account.
- **An invitation to join Class Dojo** will be sent to the new email address.
- I will be undertaking **live** 'Group Time' sessions in small groups every day. These will be arranged via the G suites calendar. You will receive a set of reminders for how to make these sessions successful for your child.
- A **guide** will also be sent to you for how to use Class Dojo to access work, videos and resources; and how to communicate directly with me via an instant messaging facility.
