

YEAR 4&5 PLANNING FOR THURSDAY 2ND APRIL 2020

Dear Year 4&5,

Today we are going to have a very random check of your knowledge of European Flags. When I was your age, I LOVED to look at the different flags from all around the world and challenged myself to learn each flag of each country in the world! Much (not all!!) of that knowledge has stayed with me today so I am passing on this personal challenge to you!

Here is a quick outline of your tasks for today – everything is fully explained in Google Classroom!

GEOGRAPHY

Aim: To identify some flags and capital cities of some countries in Europe

Quite straight-forward really – here are some flags of European countries. Your job is to find out which country each flag belongs to! You can get bonus points if you also tell me the capital city of that country! You can use the European Flags Online Game link in Active Learn if you need some help! You will find the full task in Google Classroom! Good Luck!

NUMERACY: Year 5 Group IMPROPER FRACTIONS

Aim: To convert improper fractions to mixed numbers (without drawings)

This is easy! Full instructions in Google Classroom!

NUMERACY: Year 4 DIVISION

Aim: To divide HTU by U using the “toaster method” (with and without remainders)

If you work step-by-step then this will be simple! Full instructions in Google Classroom!

ART CHALLENGE - ROB BIDDULPH DRAWING VIDEO

Rob Biddulph is a children’s book illustrator who has started uploading short drawing tutorials to help us get better at our drawing skills and make good use of our time during quarantine.

Your job is to follow one of his tutorials and send me a photo of the finished result. We can even send them to Rob Biddulph himself! What will you choose?

GREGOSAURUS? SAUSAGE DOG? FRED BEAR?

Or KEVIN? **OR WILL YOU CHOOSE THE NEW TUTORIAL THAT HE WILL UPLOAD LATER THIS MORNING?!?!**

As soon as this is live on his website, I will post the link into Active Learn and let you know on the Google Classroom Message Stream.

ONLINE ACTIVITY FOR TODAY: ENGLISH READING BOOKS THROUGH BUG CLUB – Active Learn

Please keep reading the books in your book band. To receive a new book, you need to answer the questions in each book. Read the whole book first and then go back the beginning and read it again, this time clicking on the little bug icons and answering the questions. Try to read and answer the questions to **one book every single day** (or half a book if you are on the Grey band)

KEEP MOVING!! P.E AT HOME WITH JOE WICKS

Take your workout outside today while the sunshine lasts! Find the link in Active Learn!

The Body Coach TV

1.21M subscribers • 350 videos

Welcome to the Body Coach TV where I post weekly HIIT workouts to help you burn fat and get fitter, stronger, healthier and lean.

Hopefully the instructions are clear, but I will try to answer any questions or queries through Google Classroom or you can send an email to info@calpeschool.com email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks,
Miss Carrie
