

## YEAR 4&5 PLANNING FOR FRIDAY 3<sup>RD</sup> APRIL 2020

Dear Year 4&5,

**IT'S FRIDAY!!** This has been yet another amazing week! I am **SO PROUD!!** Last week's "Paper-free Friday" was such a success that I would like to repeat it! Let's apply our learning in a more unusual and interesting way – are you ready?! You will need a camera to take photos (or videos) of your results!

### SPELLING:

**Aim: To correctly spell 10 words from the National Curriculum Spelling Test (in a manner other than writing!)**

You will find the full, fun instructions in Google Classroom!

### NUMERACY: 3D SHAPES

**Aim: To identify 3D shapes within real-life objects**

What 3D shapes can you find around your house? Can you complete the full list? Find the full instructions inside Google Classroom!

### LITERACY/PSHE: BRITISH SIGN LANGUAGE

**Aim: To learn how to sign some different FOOD and ANIMALS using British Sign Language**

Let's continue learning how to communicate with each other like Samar does in our class novel "Oranges in No Man's Land". You can send me a short video to show me how well you can do! All of the instructions are in Google Classroom. I look forward to watching you!

Learn Beginners British Sign Language (BSL) - Lesson Two.

**ONLINE ACTIVITY FOR TODAY: ENGLISH READING BOOKS THROUGH BUG CLUB – Active Learn**

Please keep reading the books in your book band. To receive a new book, you need to answer the questions in each book. Read the whole book first and then go back the beginning and read it again, this time clicking on the little bug icons and answering the questions. Try to read and answer the questions to **one book every single day** (or half a book if you are on the Grey band)

Example:

ee-ee-ee! ssssss! caaaa!

Click here for the questions.

They got out of the boat. Lots of eyes watched them.

"It's so noisy here!" Lin shouted.  
"It's like all the birds and animals are shouting at each other!" agreed Ed.

Back Read to me Next 4/5 of 25

If you would like to share the wonderful activities that you are doing at home on the Calpe Facebook page, send us your pictures! It can be of you completing worksheets but also Art projects, Science experiments, exercise or yoga videos or even fun games that you are doing with your family.

Hopefully the instructions are clear, but I will try to answer any questions or queries through Google Classroom or you can send an email to [info@calpeschool.com](mailto:info@calpeschool.com) email during the normal school day should you need any clarification. Please mark and check your children's work. If you can write 'Year 4&5' in the subject, this will help it to reach me.

Many thanks,

Miss Carrie
